1. Introduction to West Anhui University

West Anhui University, with over a century of development, is a provincial full-time comprehensive public undergraduate college approved by the Ministry of Education. Standing on the picturesque Moon Island in Lu'an, it distinguishes itself as a unique waterfront university, surrounded by water and endowed with beautiful landscape.

Currently, the university has 15 faculties, 65 undergraduate majors, and 2 master degree programs in electronic information and Chinese medicine. Currently, WAU has over 17300 full-time undergraduates and 1400 faculty members, including about 100 professors and over 250 associate professors. And more than 340 teachers have doctoral degrees. In terms of scientific research achievements, the university has won 2 second prizes of National Scientific and Technological Progress, and 47 provincial and ministerial awards.

West Anhui University actively expands foreign exchanges and cooperation, and has established cooperation and cultural exchanges with universities and research institutes in the United States, Britain, France, South Korea, Finland, Canada, Thailand, Malaysia and other countries and regions. There are currently 20 international students enrolled, and we enroll international

master program students in 2025. Warmly welcome to study at West Anhui University!
