## **1. Introduction to West Anhui University**

West Anhui University, with over a century of development, is a provincial full-time comprehensive public undergraduate college approved by the Ministry of Education. Standing on the picturesque Moon Island in Lu'an, it distinguishes itself as a unique waterfront university, surrounded by water and endowed with beautiful landscape.

Currently, the university has 15 faculties, 69 undergraduate majors, including 2 national first-class major construction sites, 2 national-level characteristic majors, 1 national comprehensive reform pilot major and 14 provincial first-class majors. Currently, WAU has over 16,000 full-time undergraduates and 1100 faculty members, including about 100 professors and over 250 associate professors. In terms of scientific research achievements, the university has won one second prize of National Scientific and Technological Progress, and 36 provincial and ministerial awards, including the first prize of Ministry of Education's Scientific and Technological Progress and the first prize of China's Industry-University-Research Cooperation Innovation Achievement.

West Anhui University actively expands foreign exchanges and cooperation, and has established cooperation and cultural

exchanges with universities and research institutes in the United States, Britain, France, South Korea, Finland, Canada and other countries and regions. There are currently 15 international students enrolled, and we will continue to enroll international undergraduate students in 2024. Warmly welcome to study at our university!
